

## Aidemy Matching Webinar

NIKKEI will organize online (Zoom meeting) session, "Matching Webinar", by a startup from the University of Tokyo, Aidemy, which handles the AI-specialized e-learning service "Aidemy Business Cloud" that has been introduced to more than 120 corporations such as Daikin, Asahi Kasei, Sumitomo Mitsui Banking Corporation. If you are interested in their presentation, we will offer matchmaking opportunity at later date. Anyone who has registered a ticket or registered for online viewing can participate.

### 【Outline】

E-learning platform that creates AI-resistant organization, Aidemy Business Cloud  
-Webinar for the financial industry-

### ■Date :

20 October (Tue) 18:00-18:45

### ■Contents :

Aidemy will introduce "Aidemy Business Cloud," which has the largest number of users in Japan as AI e-learning service with demonstration. This will be a great opportunity for corporations to become aware of AI human resources development and insourcing for AI.

### ■Speakers :

Aidemy <https://aidemy.co.jp/>  
Junya Yoshida, Inside Sales Manager  
Saki Fujiyama, Customer success
